State legislative district boundaries were provided by states in 2005/2006 as part of Phase 1 of the 2010 Census Redistricting Data Program. Where the boundary of a state legislative district splits a Census 2000 block, the block is allocated in its entirety to the district specified by the state. For a list of state legislative districts that split blocks, see http://www.census.gov/geo/www/sld/spblksld.txt.

State legislative district boundaries were provided by states in 2005/2006 as part of Phase 1 of the 2010 Census Redistricting Data Program. Where the boundary of a state legislative district splits a Census 2000 block, the block is allocated in its entirety to the district specified by the state. For a list of state legislative districts that split blocks, see http://www.census.gov/geo/www/sld/spblksld.txt.
